Meet Sandy

I have a passion for reading, learning, and writing. And, after years of raising children and supporting a family business, I am pursuing my dream of writing. They say it's never too late and I believe them! I hope you know that dreams can be achieved and we can each become all that God has intended us to be.

While most of my daytime hours are spent at the computer, I find great joy in the time I spend with friends and family including my awesome group of grandchildren – eight in total! I am excited you are on this journey with me and promise to challenge and encourage you as we enjoy our todays and face what tomorrow brings together.

All my best,
Sandy
